“If we didn’t have them to fall back on and the Rural Financial Counsellor to talk to, we might not have got through.” - RBS Client Survey 2017

Rural Business Support is considered a leading not-for-profit provider of agribusiness services and independent support to the primary industry sector. We support primary producers, fishers and other rural businesses to take action to manage change, risk and business challenges.

In our 2017 client survey 86% of respondents stated they would be worse off had they not seen a rural financial counsellor and 96% would recommend the service to others.

Our friendly and professional rural financial counsellors can:

- Help provide a better understanding of your financial position
 - Enable you to feel more confident about business decisions
 - Assist you to formulate plans to improve business
 - Support you to feel better about the future of your business
