SafeWork SA Licence Update

SafeWork SA has a new portal entitled *Renew your high-risk work licence* to help you keep your contact details up to date. You should register if you hold any of the following individual licences or perform 'high risk' work.

- (a) gas filters
- (b) dangerous goods driver
- (c) chemical handling
- (d) operating machinery and equipment
- (e) handling asbestos
- (f) handling hazardous chemicals
- (g) working in confined spaces
- (h) demolition work
- (i) falls and ladders
- (j) use of forklifts
- (k) hazardous manual tasks.

For more information about high risk work and licenses please go to

https://www.safework.sa.gov.au/uploaded_files/Guide%20for%20Applicants%20-%20HRWL.pdf.

You need to provide SafeWork SA with details of your residential and postal address, email address, phone and mobile phone numbers. SafeWork SA can send SMS or email messages to you with up to date information about your licences, including sending you a reminder that your licence is due to expire. This service is known as *My Licence Updates*.

Holders of other site specific licences, for example explosives or chemical storage, are currently unable to access *My Licence Updates*. If you are a holder of these licences please contact SafeWork SA on 1300 365 255 to update your details.

You can access SafeWork SA's individual client portal at

www.safework.sa.gov.au/indv_client/home.
